

GROW YOUR MONEY BY INVESTING IT

Hey, Junior! What are you building?

A company! Do you want to INVEST?

How does that work?

TURTLE CO.

When you invest,
you buy a small piece
of the company!

*"IF THE COMPANY IS SUCCESSFUL
AND MAKES LOTS OF MONEY,
THEN YOUR LITTLE PIECE IS
WORTH MORE MONEY TOO!"*

*"BUT REMEMBER THAT, IF THE
COMPANY DOESN'T DO WELL,
YOUR PIECE COULD END UP BEING WORTH
LESS THAN YOU PAID FOR IT."*

I think I'll find out more about your company
before I decide whether to invest in it.

It's OK. That's a smart move!
