

Balance Widget: Apple

The balance widget will allow you to view your ServU account balances right on your widgets home screen! To enable this feature on your apple device, complete the following steps:

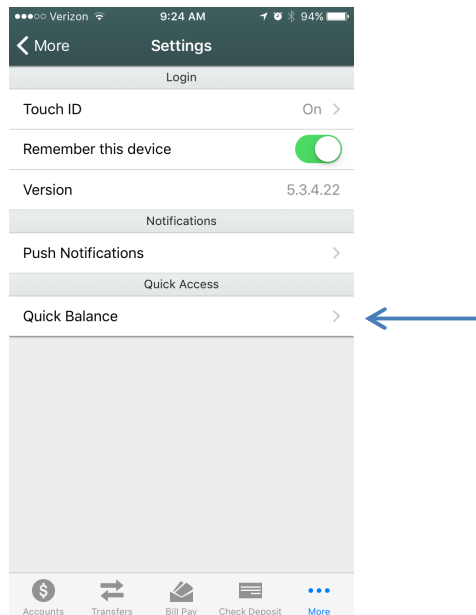

- Open the ServU app and log into your account.
- Touch the more icon at the bottom right of your screen

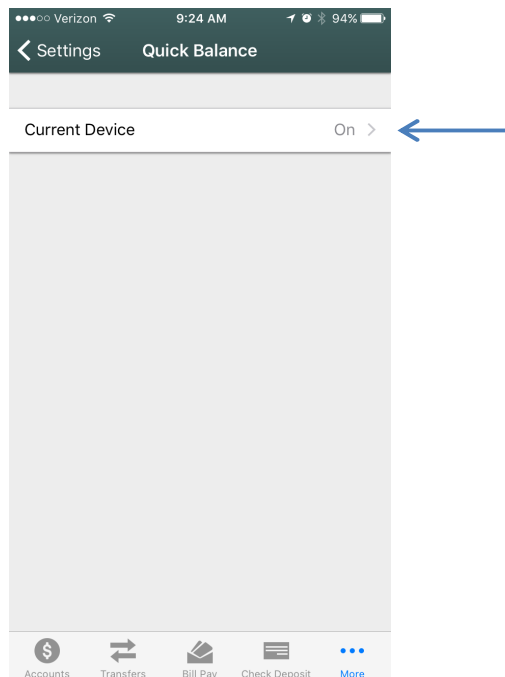

- Touch Settings

- Touch the Quick Balance button

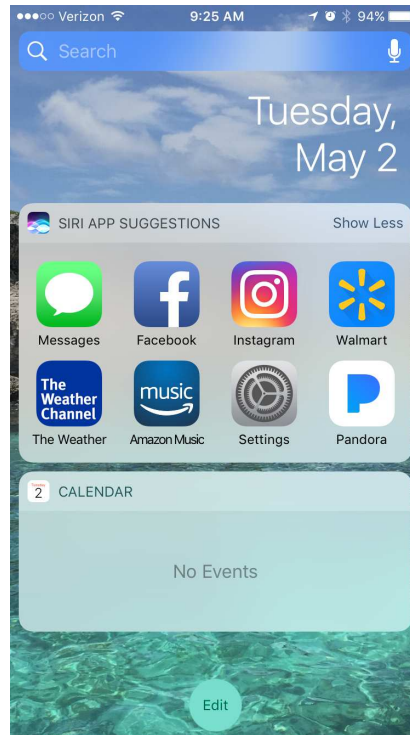

- Make sure that the Quick Balance feature is on for this device

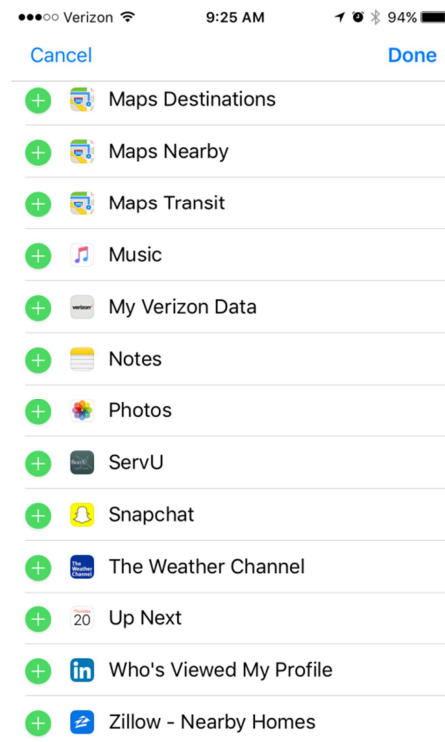

- Press the Home button on your apple device

- Swipe to the right until you reach the "Today's View" screen

- Scroll to the bottom of the screen until you see the edit button

- Touch the edit button and find the ServU widget
- Turn on the widget by pressing the green circle
- Press "Done"

You are now able to view your balances on the widget page.
